

NIH Protein Biotechnology Graduate Training Program at WSU

INTERNSHIP APPROVAL FORM

As noted in the Trainee and Program Guidelines, all internships are to be approved by the Training Program Director and must be a minimum of 8 weeks in duration. It is strongly recommended that you perform your internship during your 2 years of Biotech support. Internship support beyond two months may be limited in certain situations so please check with the Program Director if you are considering a longer internship. To facilitate the approval process, please fill out this form and obtain the appropriate signatures. Please submit this form to Dr. Margaret Black (in person (BLS 145), mail (7520) or via email to blackm@wsu.edu) at least 2 weeks prior to the internship start (earlier, if possible).

Your name:

Dates of intended internship (8 weeks is the minimum):

Location (company name and city, state):

Name of internship supervisor:

Contact information (email, phone number):

Is this a paid internship? yes no

Will the trainee be on NIH Biotech support during the internship? yes no

If not on Biotech support, will your PI or department be providing internship support?
